Responsible Excellence Visionary Optimistic

Revo Healthcare Sdn. Bhd. offers premier healthcare solutions with an array of medical equipments and home healthcare products. Incorporated in 2007, it is an ISO 13485:2016 and GDPMD certified company. We aim to offer healthcare products with quality as priority, serving medical professionals and the public throughout Malaysia.

Over the years, Revo Healthcare strives on to give the very best service to achieve total customer satisfaction. With this philosophy, we continue to harness every employee's commitment towards providing value added service to our customers. This has also led to the setting up of our Customer Service Centre to provide continuous after sales service, hence making sure that every customer's needs and problems are taken care of.

We focus on building brand names with priority given to the effort of creating new technology and developing innovative ideas. We offer a wide range of high quality medical and home healthcare products such as blood pressure monitor, thermometer, nebulizer, pulse oximeter, TENS Pain Therapy Device, glucose meter, weighing scale, anatomy support, cold/ hot therapy products, BPA FREE pill boxes, etc. We are the Authorized Representative for A&D (Japan), GluneoLite (Korea), ForeHealth (Taiwan), Flexi-Aid (Taiwan), Fullicon (Taiwan) and appointed distributor for LP Support and B-Braun products in Malaysia.

We always believe in achieving quality and healthy lifestyle through innovation in healthcare technology and information sharing. We also place high priority in continuously giving healthcare message to the public through various communications channels.

Brand Story

2012- Birth Year of Fullicon

For years, the founder of E-link, Mr. & Mrs. Lee, have been actively participating in not-for-profit activities and contributing to the society. As years went by, they realized that “The greatest treasure in the world is not creating more wealth but having a healthy body and life, so we can all spend more time with our loved ones.” In addition to contributing to the society, Mr & Mrs. Lee hope to help more people by using the company’s expertise to make useful health products that assist more people to be healthy. With this vision in mind, “Fullicon” brand was created in 2012.

Fullicon products are made with BPA free plastic.
